To Be
Anyone Is Nothing
But,
To Be
Someone Is Unique

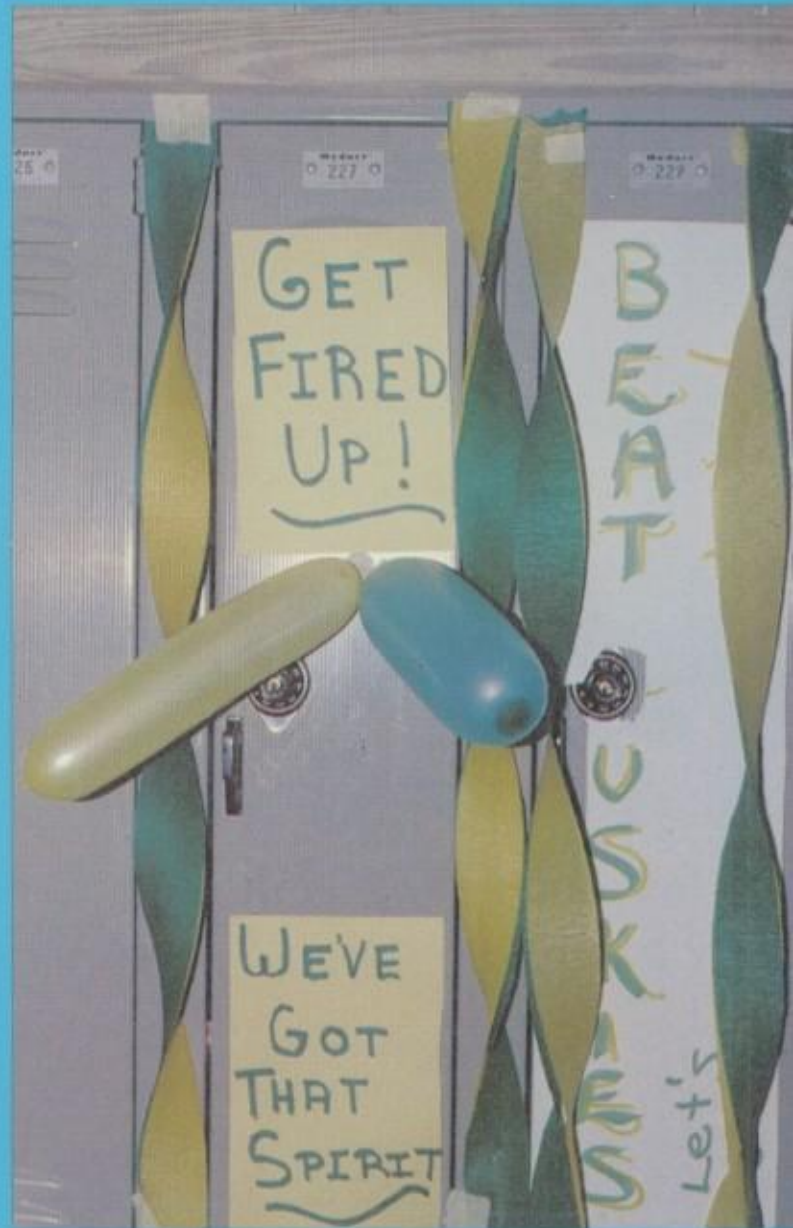

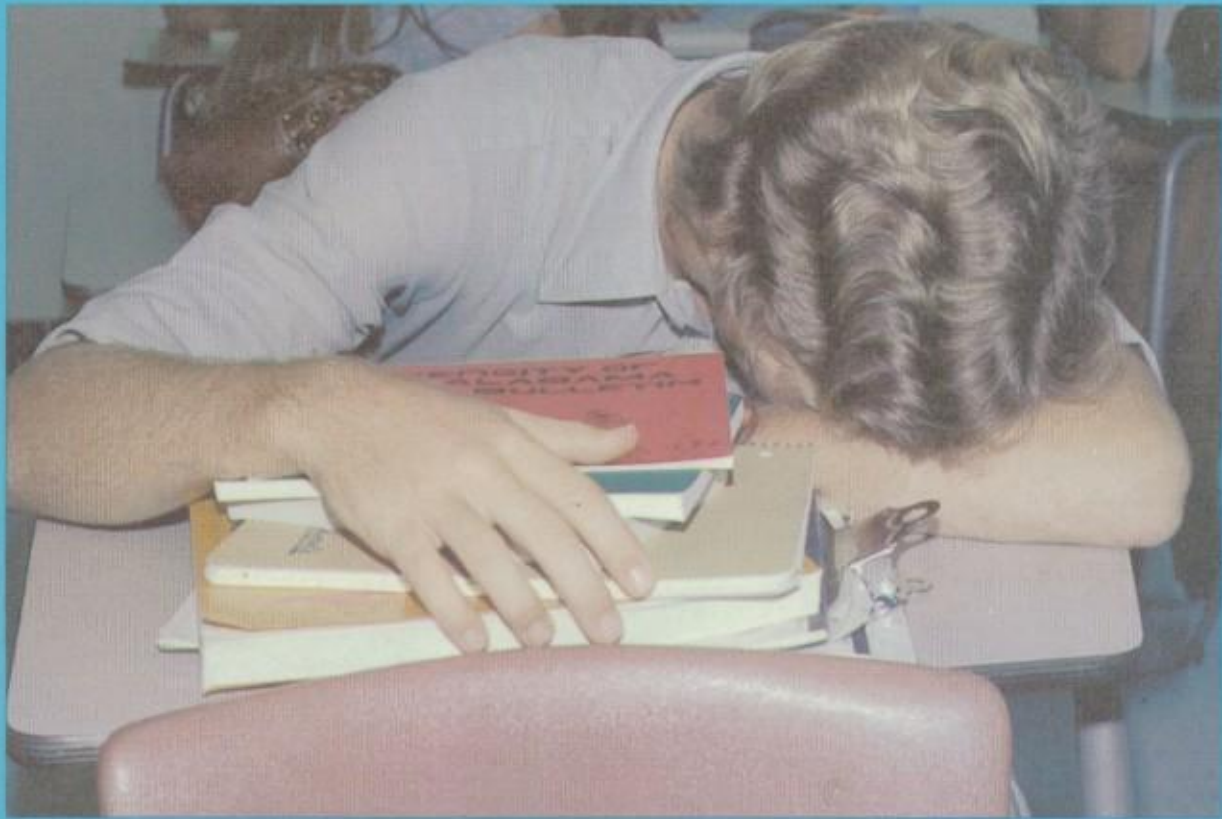

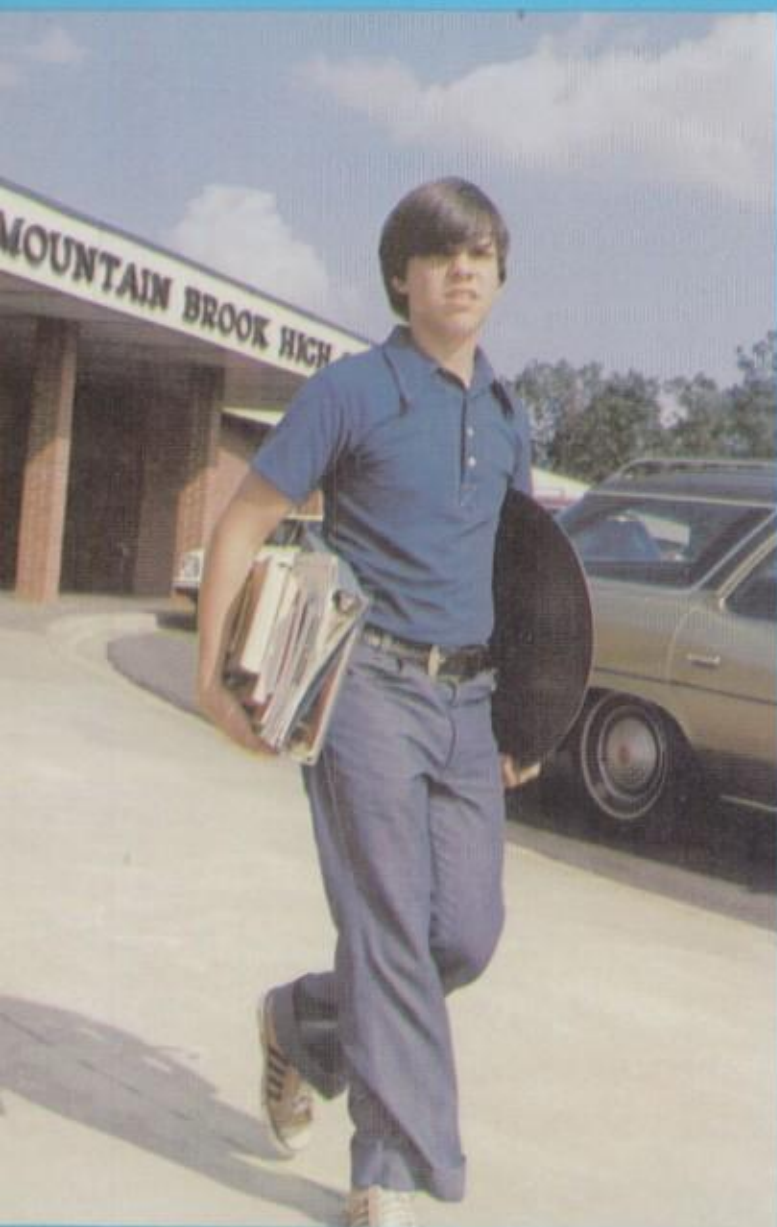

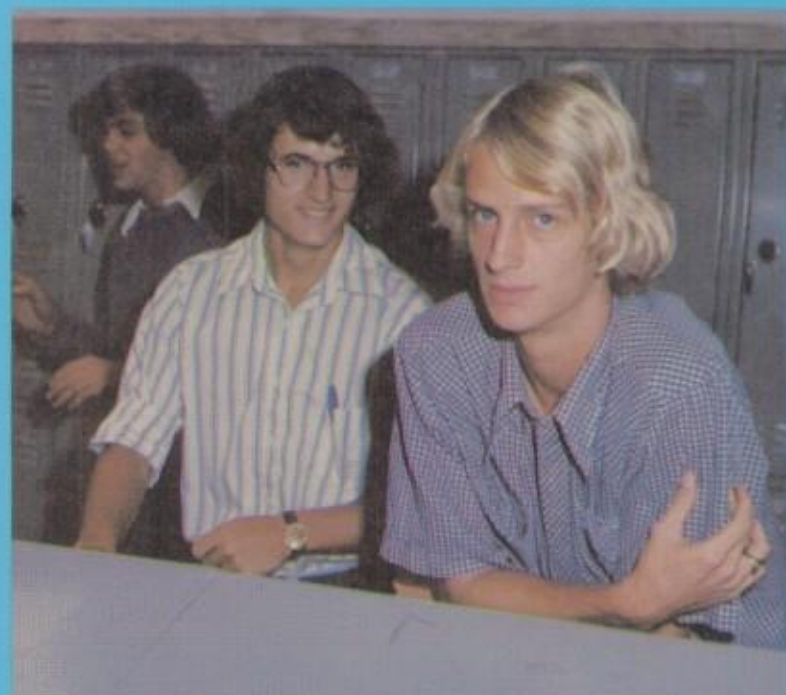

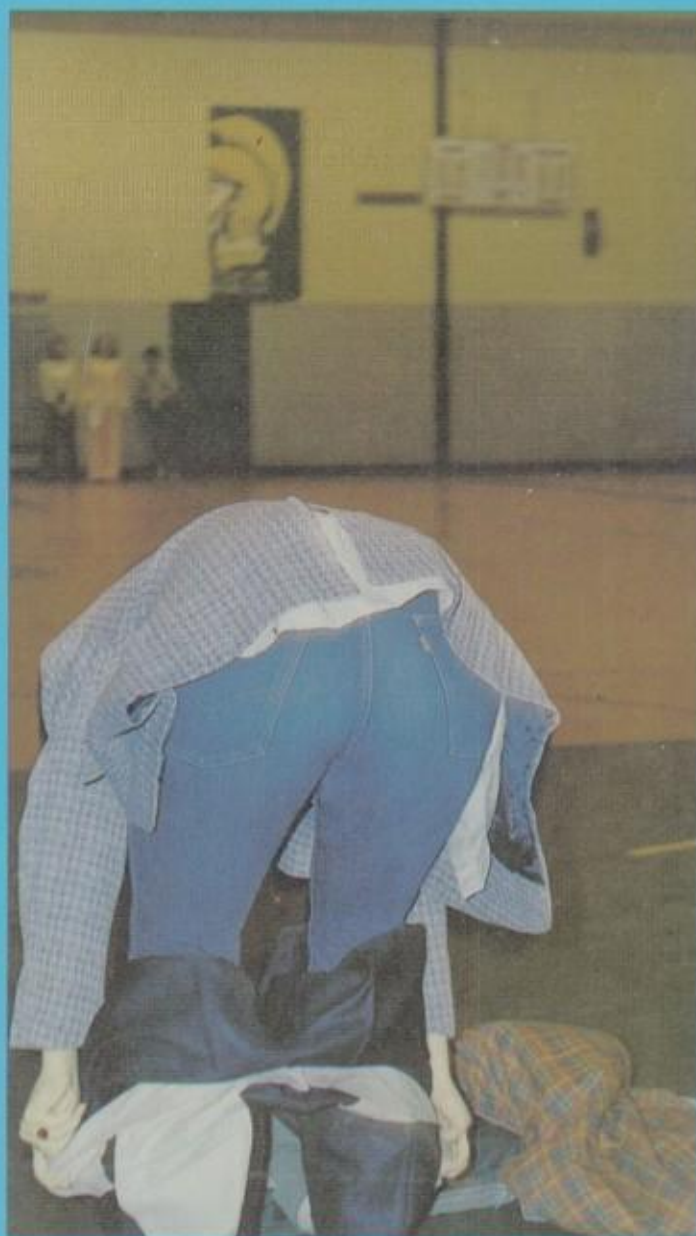

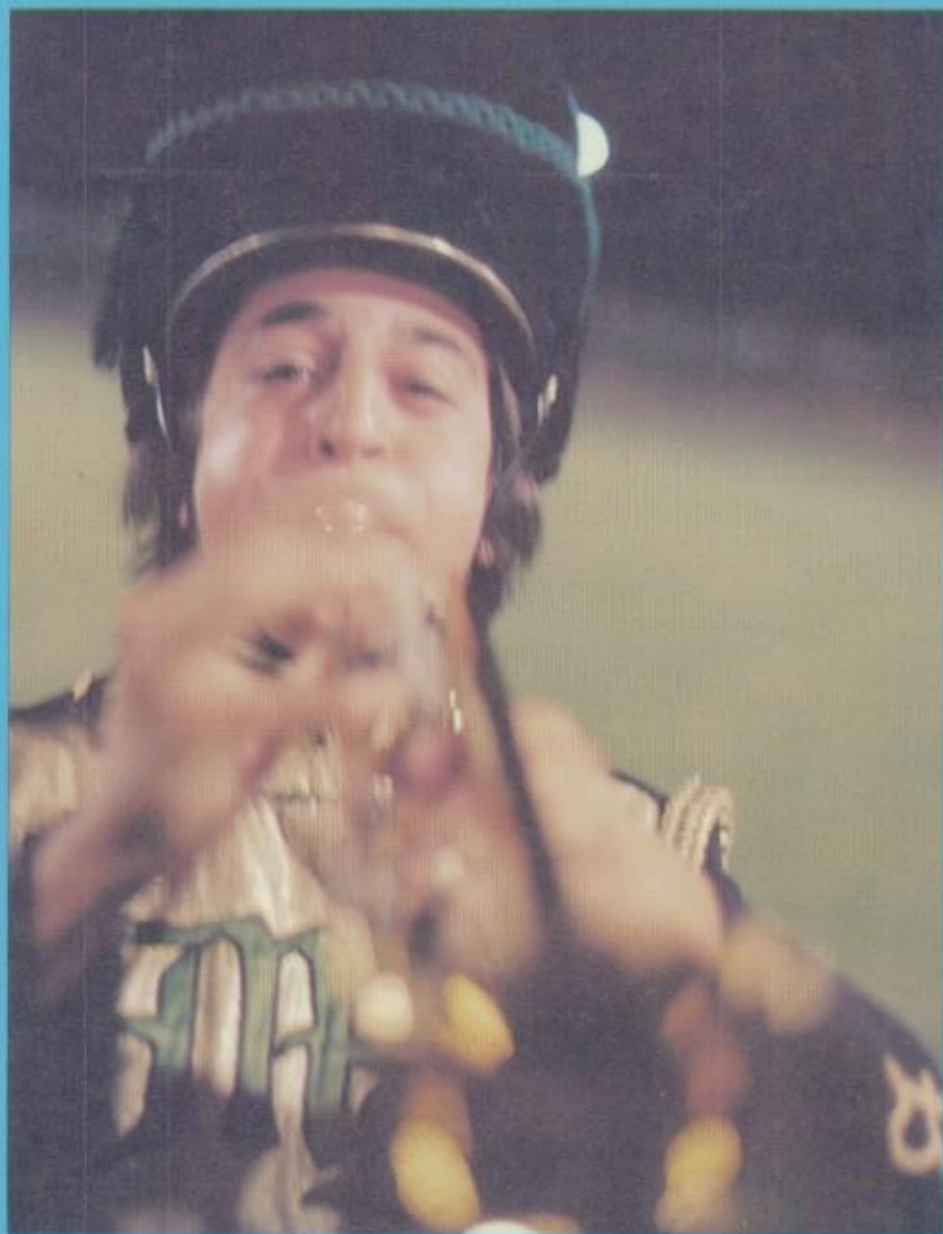

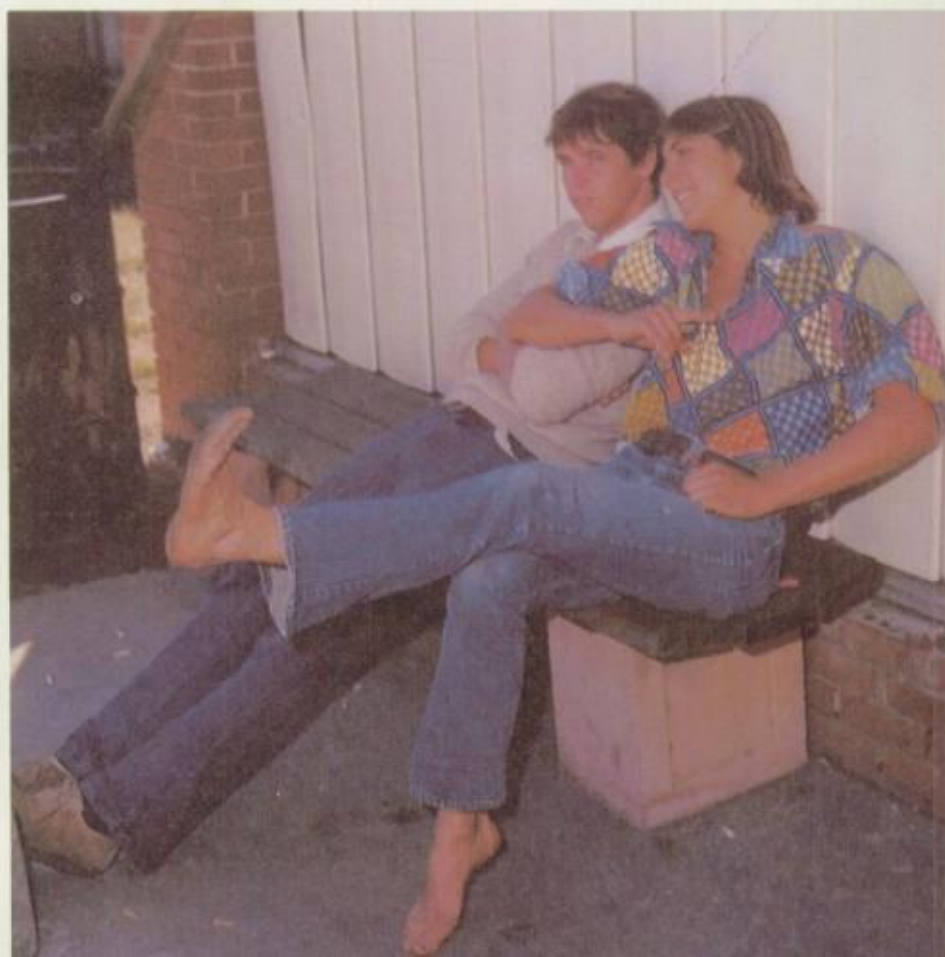

No Man Is an Island
That He Must Stand Alone,
Desperately Clutching at Fragments of Life,
Continuously Hoping and Trusting,
Only Too Late Discovering the Truth
Then Dying in a Sea of Indifference.

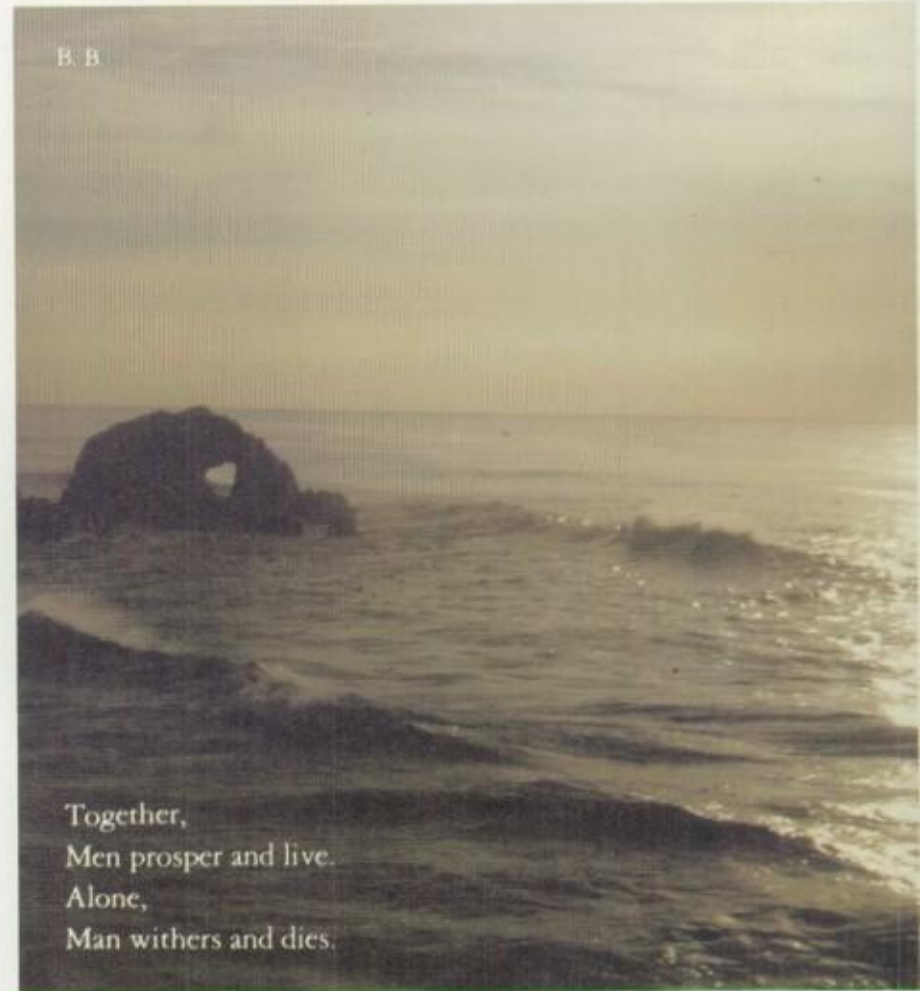

STUDENT EXPRESSIONS

Regina Beech
Bobby Burks
Stephen Jones
Allen Maxwell
Susan Sklennar

You stopped being a child when you realized
you were you.

You can never be an adult until you realize
you are everyone.

This annual is dedicated to "everyone."

JUNIORS

We stand as one
Being of single mind and body
Walking hand in hand
Down the halls of learning.
Unobtrusively in the middle,
We will continue through the years
Until the inevitable comes into view.
The separating and molding into individuals
Now ready to take their places
Under the smiling face of the sun.

SOPHOMORES

They start at the bottom of the world,
In cold and freezing emptiness.
Yet nothing daunts
Their steady progression upwards,
Through the tangle of age-old memories
Until the goal they have pushed toward is realized
And the reward, always in their mind's eye
Is accomplished.

IMPRESSIONS

They were begot at the bottom of the world,
And traveled through aeons of time.
The strongest and fittest survived
While the imperfect rotted and died.
Now all that represents what once was
Is a cold and empty shell
Which the ocean spits in disgust
Onto that which most become,
Lifeless, unfeeling sand.

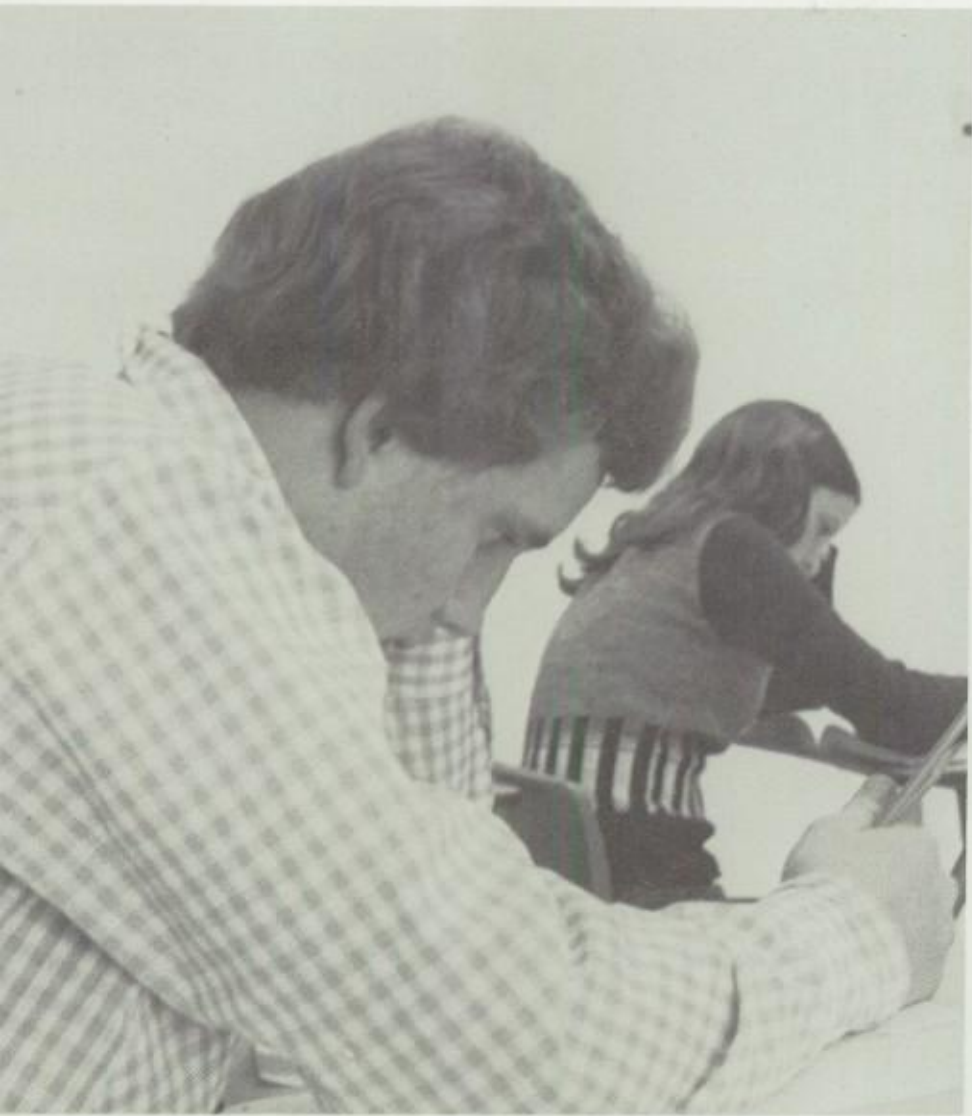

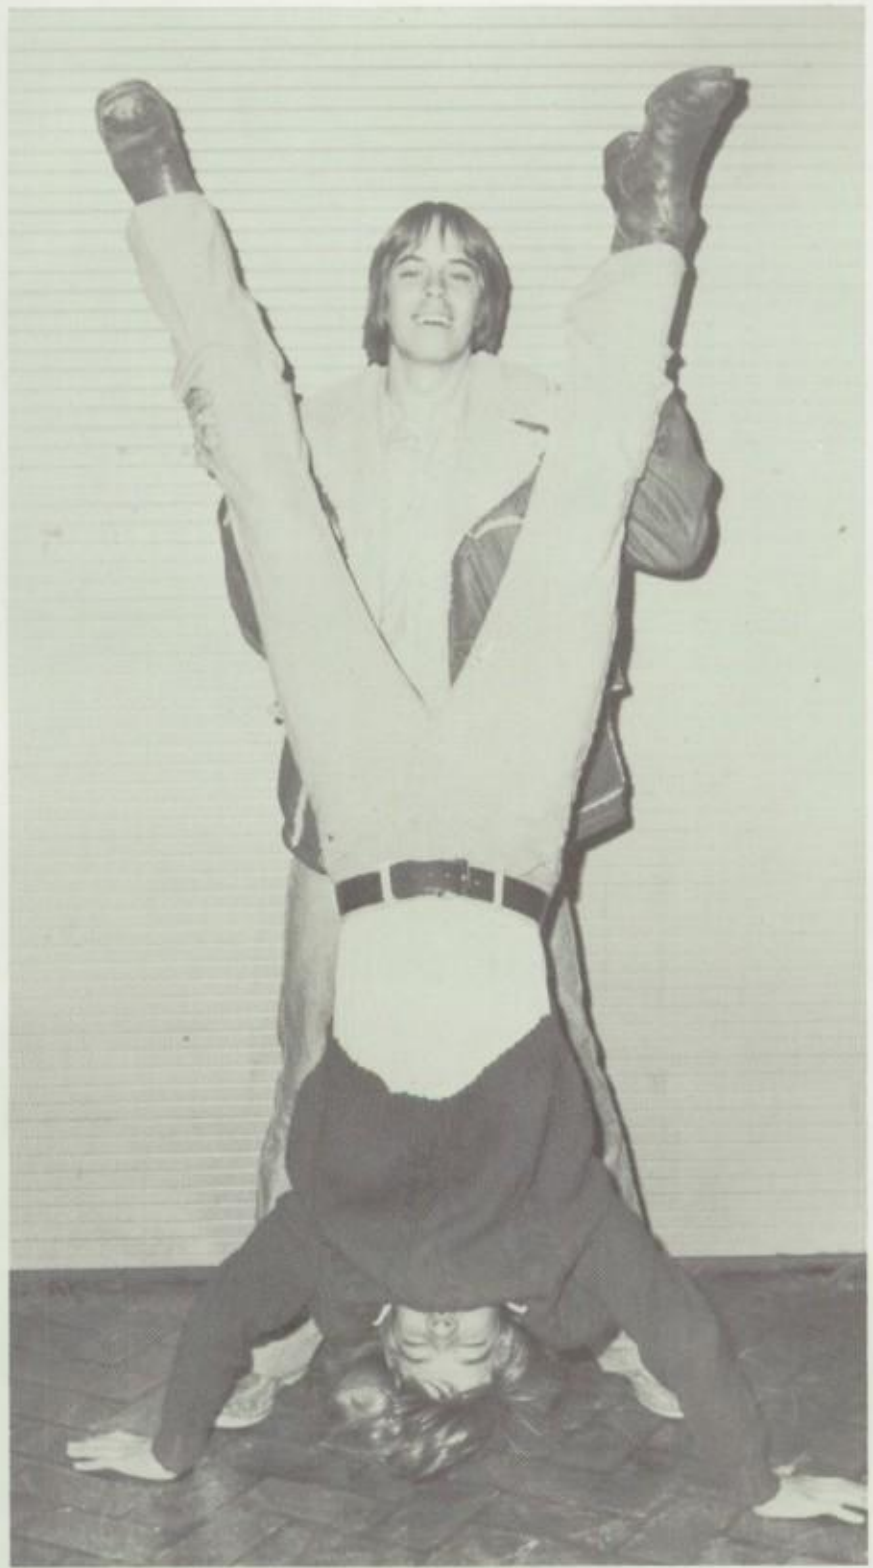

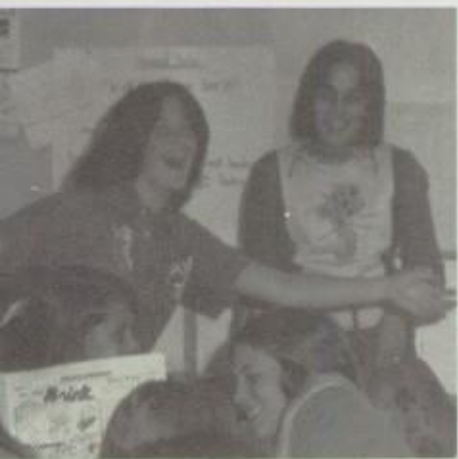

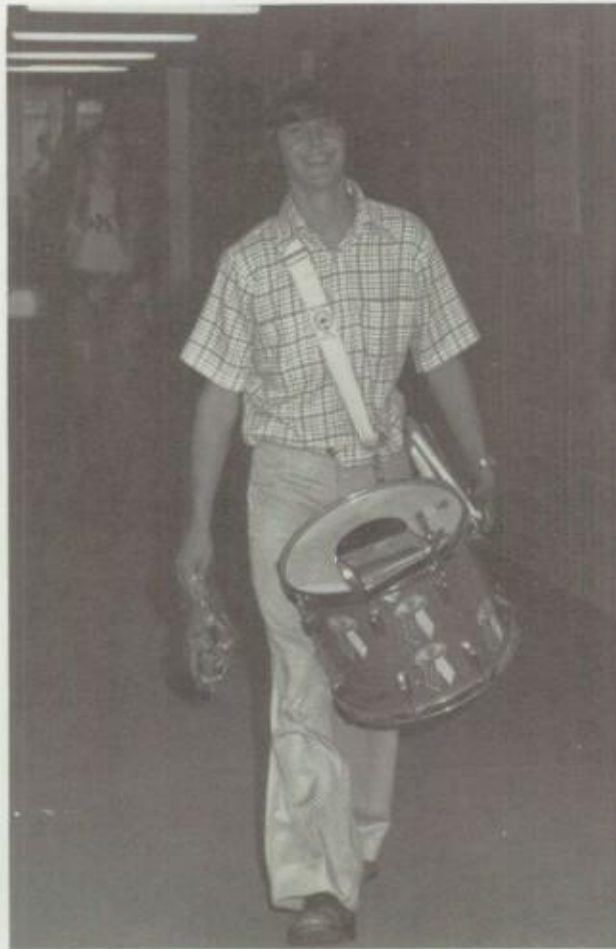

A rose
With heavy head
Nods wearily to the wind.
The struggle is over,
The battle won
And life is the almighty victor.

Listen!

At your graduation exercises, the commencement speaker will say something to the effect that "the future of this nation is in your hands" or "you are being given a great challenge".

They always say things like that at graduation exercises. It seems to be the thing to do. They've said it so much that most folks expect it and don't even hear it.

That's bad...because it's true.

The future is in your hands...whether you hear it or not...and whether you like it or not.

Do something about it...Listen.
